This does not apply to displaced persons seeking remission of the fee (*vide* para 12 below).

(ii) Certificate of age (see paragraph 4 of the Notification).

(a) The only proof of age ordinarily accepted by the Commission is the age or date of birth entered in the Matriculation certificate or one of the other certificates listed in paragraph 8 of the notification. This certificate must be sent with the application in original.

If a Matriculation or equivalent certificate does not give the exact date of birth, the candidate must send in addition to the Matriculation or equivalent certificate, a certificate (in original) from the Headmaster of the High School which he first attended showing the date of his birth or his exact age as recorded at the time of his admission to the school. An anglo-Indian or an Indian Christian may send his original Baptismal or Birth Registration Certificate instead of the Headmaster's certificate.

A candidate who has passed the Matriculation or equivalent examination as a private student must submit, in addition to the Matriculation or equivalent certificate, a certificate from the Headmaster of the School which he first attended showing the date of his birth or his exact age as recorded in the school admission register. If no school was ever attended, a certified extract from the Municipal Birth register relating to himself or some other convincing proof in support of the age stated in the Matriculation certificate should be submitted. The application of a private student who can produce no satisfactory evidence in support of the age stated in his Matriculation or equivalent certificate may be rejected.

If the Matriculation certificate has not been issued to a candidate, he should submit along with his application an age certificate from the Headmaster of the School from where he appeared in the Matriculation Examination. Such a candidate will be required to submit his original Matriculation certificate before he is admitted to the Air Force Academy. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation Certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

Note 1.—A transfer certificate from a school or college will not be accepted as evidence of age.

Note 2—The age and nationality certificate issued by some State authorities, is not required.

Note 3.—Displaced persons, who have lost their original Matriculation Certificates in Pakistan, should obtain duplicate certificate from the University concerned. If they are unable to obtain the duplicate Matriculation Certificates from the University, they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

Note 4.—Ordinarily the Commission do not accept a date of birth other than that proved or supported by the Matriculation Certificate. If they do so, they require not only convincing proof of the date claimed but also a satisfactory explanation of the incorrect entry in the Matriculation Certificate. When once a date of birth has been claimed and accepted by the Commission for the purpose of admission to an examination, no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in a Matriculation Certificate must do so at the first opportunity. In such cases, a candidate must send direct to the Union Public Service Commission all the evidence on which he bases his claim as soon as he has submitted his application.

(*b*) Cadets of the P.W.M. College, Debra Dun or K.G.M. Colleges must submit a certificate of age from the Principal of the College and no other certificate as evidence of age will be required.

(iii) *Certificate of educational qualifications* (*See paragraph* 8 *of the Notification*).—A certificate or diploma in original showing that the candidate has one of the qualifications prescribed for the examination. The certificate submitted must be one issued by the authority (*i.e.* University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence, and submit such other evidence (in original) as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

Note.—Candidates who have appeared or intend to appear at any of the examinations mentioned in paragraph 8 of the Notification may also apply for admission to this examination. The applications of such candidates will be accepted provisionally and the successful ones at this examination will be required to furnish proof of their having passed that examination as soon as possible and in any case before they join the Air Force Academy, if finally selected.

(6) Candidates may be required at the interview by the I.A.F. Selection Board to produce the original of any documents of which copies have been submitted in connection with question 18 of the application form.

(7) Copies of the certificates mentioned in paragraph 5 (ii) and (iii) above should also be submitted along with the originals. If the candidate has already submitted any of these certificates in connection with another examination conducted by the Union Public Service Commission and if they have not yet been returned to him, he should mention the fact when submitting his application, and if possible, enclose a copy of the certificate. If the certificate is not with the Commission, it should be sent with the application whether the candidate appeared at a previous examination

conducted by the Commission or not. If any certificate cannot be submitted with the application, a reasonable explanation of its absence must be given.

Candidates are advised to keep attested copies of their original certificates with them before submitting them to the Union Public Service Commission, as the Commission cannot undertake to return the original certificates until orders are passed on their applications, nor can they undertake to supply attested copies to candidates.

Note.—Certificates other than those mentioned in paragraph (5) (ii) and (iii) above will not be returned.

(8) All communications in respect of an application should be addressed to the Secretary, Union Public Service Commission, Parliament House, Post Box 186, New Delhi, and should contain the following particulars :—

Name of Examination.
Month and year of Examination.
Roll No. (if communicated to the candidate).
Name of candidate.
Address as given in application.

Communications not giving these particulars may not be attended to.

(9) The fact that an application form has been supplied on a particular date will not be accepted as an excuse for the late submission of an application or as an evidence of the receiver's eligibility to compete.

(10) Every candidate for admission to the examination will be informed at the earliest possible date of the result of his application. It is not possible for the Union Public Service Commission, however, to say when that result will be communicated.

All returnable certificates or papers will be returned when the result of his application is communicated to the candidate.

(11) Candidates must make arrangements to see that communications sent to them at the address stated in their applications are redirected, if necessary. Also any change of address should be communicated at once to the Secretary, Union Public Service Commision. If a change of address has taken place after the examination, it should also be notified to Directorate of Personnel, Air H.Q., New Delhi. Although the authorities make every effort to take account of changes in candidates' addresses, they cannot accept any responsibility in the matter.

(12) (i) A displaced person seeking remission of the prescribed fee should forward along with his application his Refugee Registration Card (in original) and a certificate (also in original) from a District Officer or a Gazetted Officer of Government or a Member of the Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

(ii) A person in whose case a certificate of eligibility is required in terms of the Note under Rule 5 should apply to the Government of India, Ministry of Defence, for issue of the required certificate of eligibility in his favour.

(iii) If a certificate of eligibility is not necessary in the case of a person who has migrated from Pakistan, *vide* Note under Rule 5, he should produce an affidavit sworn before a First Class Magistrate in one of the following forms, whichever may be applicable to him :—
